All:

I talked with David Crow to see if we have anything from Hurricane Katrina. He may be able to look for stuff from Sandy as well. I would assume this would be relative to burning of debris/vegetation? Let me know if you guys are wanting to have them spend time looking for these documents?

Thanks

Monica –Fran Verhalen called me to discuss debris burning. They are working on a letter. She said Hurricane Sandy had an Hurricane Disaster Plan for Air? She believed there was one for Region 4 during Katrina also.
